

**Grades:** 6–12, varies per module selection

**Cost:** \$50 for a full day module or \$30 for a half-day module option, both include lunch. Sign up for more than one module and receive a \$5.00 discount on each module!

*The Connections Camp offers a wide variety of science and math topics to select from; check out our schedule! Pick one or many modules from a variety of options. Our line-up includes: America's Next Top Gummy (food science), Spot It! and Borg (math games), Mountains and Caves (geology), Bird Banding at the Juniata's Raystown Field Station (environmental science), CS: U Be the Investigator (solve the crime), Feeling Loopy (building roller coasters), Reach for the Stars (astronomy), and How to Use Math to Win Games (strategy math). Be sure to read the COVID-19 Summer Camp Safety Plan for how we plan to operate safely this summer. Thanks to the II-VI Foundation for their contribution to keep summer camp fees at a minimum.*

*There will be no water fountains available for break, please bring your own water bottle.*
