Kistler is thankful for our Veterans!

Kistler Elementary students and staff celebrated our local Veterans during their Veterans Day Assembly on Wednesday, November 8th, featuring guest speaker Mike Smith! Students performed two Veterans Day songs for family members and friends who served or are currently serving, lead by Kistler's wonderful music teacher, Mrs. Beeler! Students and staff were also so privileged to hear the Star-Spangled Banner beautifully sung by Kistler School Secretary, Tonya Stoner-Hancock!

Special guest speaker Mike Smith spoke to students about his experience serving in the army as well as what it means to be a Veteran. Students and staff were both excited to hear about his experience and to also hear more about his current profession as a State Trooper. Kistler Elementary would like to thank all of the family members and friends who attended the assembly and all Veterans/currently serving for their dedicated service!

The next PTO meeting will be Thursday, December 7th at 4:30 pm in the Kistler Elementary Library to help set up Santa Shop!
