

# PBIS Quick Facts

## Rewards

- Students feel good when they receive points for positive behavior
- Staff feel good having positive interactions with students
- School is a job for students. PBIS points is payment for their work.
- Points will be used in our school store where they will have the opportunity to earn cool prizes
  - Examples: Lunch with a teacher, morning announcements, and DJ for the day
- Ms. Masser will be teaming up with our high school Life Skills classroom to help run the school store
- Points and the school store help prepare students for the future with patience to save for prizes and “money management”

## Major Referrals

- Major referrals = admin-managed.
- Situations that are defined on the provided list
- Do not need to be put into the PBIS Rewards App
- Principal’s office will be putting majors from PowerSchool into PBIS Rewards App

Example: Physical fights

## Praising Our Students

- How praise is given makes a difference.
- Let them know they are doing a good job and what for
- Connect it back to Be Safe, Be Responsible, Be Respectful, and Be Here.
- Praised reinforces positive behavior.

Example: A student picks up trash in the hallway.  
“Thank you for being responsible by picking up the

## Minor Referrals

- Minor referrals = staff/teacher-managed
- Need to be documented by the teacher/staff who address the problem in the classroom
- Document in PBIS Rewards App
- Situations that are defined on the provided list
- Provides data points to show to parents, counselors, and administration
- Data helps warrant additional support/services for students and/or classroom
- Data helps our school to identify problem areas and behaviors to incorporate appropriate interventions

Example: Student comes to class unprepared.
